VIII. Builder's Affidavit					
<i>Pursuant to Section 3303, a permit to demolish or remove a structure shall not be issued until a release is obtained from the applicable utilities stating their respective service connections and appurtenant equipment (such as meters and regulators) have been removed, sealed, or plugged in a safe manner. For private water wells, a copy of the "Plugged Record" from the Ottawa County Environmental Health Department must be included with the application.</i>					
Signature of Applicant		Print Name of Licensee		Date	

IX. Homeowner Affidavit

I hereby certify the work described in this permit application shall be done by myself on my own dwelling in which I am living, or about to occupy. All work shall be done in accordance with the codes and shall not be backfilled, enclosed, dry walled, covered-up, or used until it has been inspected or approved by the appropriate inspector. I understand my responsibility to arrange for the required inspections and I agree not to move anything into, or use the building in any way, until I have received written approval to do so from the appropriate inspector. I understand that for any such affidavit connected to a building permit, I (or appropriate licensed contractors) am required to obtain additional permits before installing any electrical, plumbing, heating, air conditioning, fireplace, wood stove, ventilation component, or other similar work. I understand all of the above and acknowledge that failure to comply with the above requirements may cause revocation of the building permit and/or legal action to be taken against me.
