VI. INTRODUCTIONS

1. The recently appointed Ottawa County Treasurer Cheryl Clark introduced herself to the Township Board noting that she had been appointed to her position in December of 2023. Treasurer Clark distributed a handout regarding the annual report from the County Treasurer Department which served as a basis of a brief presentation.
2. The newly selected Public Services Director Matt Wade was introduced to the Township Board noting that he had served previously with the City of Grand Haven.

VII. OLD BUSINESS

1. **Motion** by Trustee Wagenmaker supported by Trustee Behm to approve the Northstar

Storage Site Plan Review waiver request allowing for reduced glass as shown on the architectural drawing package based on the Board's determination that the request meets the following items:

- a. Adequate screening of the building is provided by the Planning Commission's condition shows the existing trees, to the east of the existing building, are to be preserved. This condition is upheld.
- b. The applicant desires to maintain safety and security of the contents stored within the accessory structure by reducing the glass area.
- c. The glass area for the aggregated front facades, meets the Ordinance requirement.

Which motion carried, with Treasurer Kieft voting no

2. The Board discussed the vacancy on the NORA Board which must be filled by an elected Township official.

GRAND HAVEN CHARTER TOWNSHIP PLANNING COMMISSION
MONDAY, APRIL 29, 2024**

REGULAR MEETING

I. **CALL TO ORDER**

Supervisor Reenders called the special joint meeting of the Grand Haven Charter Township Board and Planning Commission to order at 7:00 p.m.

II. **PLEDGE TO THE FLAG**

III. **ROLL CALL**

Board members present: Wagenmaker, Larsen, Meeusen, Kieft, Behm, and M. Reenders

Board members absent:

Planning Commission members present: Frifeldt, Lemkuil, Mesler, D. Reenders, Taylor, Cousins, and Wilson

Planning Commission members absent: Hesselsweet

Also present was Manager Cargo, Assistant Manager Sherwood, Community Development Director Thibault, Associate Planner Chaphalkar, and Attorney Redick

IV. **APPROVAL OF MEETING AGENDA**

Motion Trustee Wagenmaker and seconded by Clerk Larsen to approve the meeting agenda. **Which motion carried.**

V. **DISCUSSION ITEMS**

1. The Board and Planning Commission members discussed infill development within the Northeast quadrant of the Township. Specifically, amending the PUD portion of the Zoning Ordinance to eliminate the requirement for sanitary sewer and allowing septic systems approved by the Ottawa County Health Department. *(This would impact two vacant parcels – i.e., the so-called “Reenders blueberry field” that the Planning Commission has recommended be restricted to the underlying zoning district's base density, which is about 100 units, and the so-called David Bos development along the Grand River.)*

After discussion, the members instructed staff to proceed with the proposed amendment, maintaining all other PUD requirements but allowing septic systems for PUDs in the Northeast quadrant because there is not existing municipal sewer infrastructure within the area.

2. The Board and Planning Commission members discussed the US-31 Overlay District and instructed staff to proceed with the amendments as proposed by Community Development Director Thibault that eliminates some conflicting language and provides greater discretion to the Planning Commission members.

3. The Board and Planning Commission members discussed “clubs” in industrial zones. Attorney Redick noted that allowing “assembly” within industrial zones would – pursuant to RLUIPA, i.e., the Religious Land Use and Institutionalized Persons Act – if the Township allows assembly in industrial areas for “clubs,” the Township would also be required to allow assembly in industrial areas for churches and other religious institutions.

No action was taken.

4. The Board and Planning Commission members discussed chickens in residential areas and instructed staff to draft an ordinance that would allow chickens as proposed but would, as a condition of approval, require a review of subdivision bylaws (or similar provisions) to ensure that prohibitions in the residential development did not prohibit “livestock”.
5. The Board and Planning Commission members discussed cell towers and instructed staff to proceed with the proposed amendment, as presented.
6. The Board and Planning Commission members discussed signage in residential zoned properties and instructed staff to proceed with the proposed amendments, as presented.
7. The Board and Planning Commission members discussed mono-sloped roofs and instructed staff to proceed with the proposed amendments, as presented.
8. The Board and Planning Commission members discussed architectural requirements on industrial additions and instructed staff to proceed with the proposed amendments, as presented.
9. The Board and Planning Commission members discussed landscaping requirements in parking lots and instructed staff to proceed with the proposed amendments, as presented.

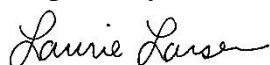

VI. PUBLIC COMMENTS

Trustee Wagenmaker opined that the Private Road Ordinance was too strict and that it should be modified to allow private roads to be constructed without requiring water, sewer, or the current road standards.

VII. ADJOURNMENT

Motion by Clerk Larsen and seconded by Trustee Behm to adjourn the meeting at 8:54 p.m. **Which motion carried.**

Respectfully Submitted,

Laurie Larsen
Grand Haven Charter Township Clerk

Mark Reenders
Grand Haven Charter Township Supervisor

SUPERINTENDENT'S MEMO

DATE: May 9, 2024

TO: Township Board

FROM: Cargo

SUBJECT: Appointment of Trustee Behm to the NORA Board and the Township Parks and Recreation Committee

As you are aware, pursuant to Section 2.11 of the Township's Administrative Policies and Procedures Manual, the Township Supervisor has broad authority to appoint members to a variety of Committees, Boards, and Commissions.

With the resignation of former Trustee Redick, Supervisor Reenders will be appointing Trustee Behm to the North Ottawa Recreation Authority (NORA) Board for a seven-month term ending December 31, 2024, and a seven-month term to the Township Parks and Recreation Committee ending December 31, 2024.

I have not included the normal background material since everyone is familiar with Trustee Behm. To approve these appointments, the following motion can be offered:

Move to appoint Howard Behm to the North Ottawa Recreation Authority Board and to the Township Parks and Recreation for a seven-month term ending December 31, 2024.

If you have any questions or comments, please contact Supervisor Reenders prior to the Board meeting.

Manager's Memo

DATE: May 8, 2024
TO: Township Board
FROM: Bill
RE: 2024 – DDA Watermain Project

As you may recall, the DDA budget had **\$1.875 million** allocated to bore and jack a watermain across US-31 and the railroad at Buchanan Street. The bid opening for this project was on Tuesday, May 7th and three (3) firms offered bids on the project. (*See below.*)

1st	Jackson-Merkey Contractors 3430 Lund Avenue, Muskegon, MI 49418	\$1,381,718.50
2nd	Wadel Stabilization, Inc 2500 N. Oceana Dr, Hart, MI 49420	\$1,760,761.00
3rd	McCormick Sand 5430 Russell Rd, Twin Lake, MI 49457	\$2,078,530.00

The low bid was from Jackson-Merkey Contractors at a contract price of about **\$1.382 million** – which is about \$493k (*or about 26%*) under↓ budget.

Jackson-Merkey is a well-established contractor in West Michigan and the Township has worked with this firm on numerous open-cut construction projects. The project would be stating in late summer and early fall – but would be dependent upon the availability of the subcontractor performing the bore and jack work under the highway.

The Township's Engineer (*i.e., Kevin Kieft*) is recommending that the project be awarded to Jackson-Merkey.

To approve the low bid and proceed with the project, the following motion can be offered:

Move to approve the low bid of \$1,381,718.50 from Jackson-Merkey Contractors for the DDA Bore and Jack Watermain Project under US-31 at Buchanan Street and authorize Superintendent Cargo to execute the necessary contract documents.

If you have any questions or comments, please contact Cargo.

Administrative Memo

DATE: May 9, 2024
TO: Township Board
FROM: Chief Schrader
RE: Fire Station Exhaust System Purchase

The station exhaust removal system equipment ensures that vehicle exhaust and contaminants from fire gear get filtered properly. This equipment provides a safe and healthy atmosphere for our staff to work in and follows NFPA 1500 and OSHA standards. Fire contaminants and diesel exhaust are considered occupational carcinogens by the National Institute of Occupational Safety and Health (NIOSH).

Over the last six (6) months, staff and the building team have evaluated and looked at several different systems. Based on this evaluation, staff is recommending that we purchase the MAGNEGRIP AirHAWK 3000EL-ECM system. This system will include eleven separate units that are suspended throughout the apparatus bay ceiling.

This decision was made for the following reasons:

- This system continuously filters the air with a variable speed motor. This continuous filtering provides a healthier environment for our staff.
- This system allows staff to park apparatus in the station using multiple configurations.
- The system will work with all vehicles and does not require apparatus to be retrofitted or connected to hoses.
- The pricing, that we have received, is \$6,900 below budgeted estimates.

If the Board agrees to proceed and authorize the purchase of the AirHAWK station exhaust removal system, the following motion could be offered:

Motion to authorize the purchase of the AirHAWK 3000EL-ECM station exhaust removal system of an amount not to exceed \$95,598 payable from the Fire Station Construction Fund.

Please contact me if you have any questions or concerns.

Administrative Memo

DATE: May 6, 2024
 TO: Township Board
 FROM: Karen Sherwood and Bill Cargo
 RE: Board Trustee Applicants

As previously noted, if the Township Board does not appoint a replacement for the Trustee Redick by **May 16th**, the Ottawa County Clerk will be required to schedule a Special Election to fill this Board vacancy. Further, the Special Election would occur concurrent with the November 5th General Election – and, as noted by the State Bureau of Elections, the individual elected would serve from November 14th until November 20th – essentially a six-day term.

Specifically, under MCL 168.370, the timing of the Special Election would be as follows:

- ✓ The 45-day deadline for the Board to appoint would be May 16th.
- ✓ If the Board failed to appoint, the County Clerk would call a special election to fill the vacancy within 5 days, which would be May 21st.
- ✓ Within 15 days of May 21st, the political parties would each name a candidate, which would be June 5th.
- ✓ Because this is an election year, the special election would have to occur not less than 70 days after the June 5th deadline, which would be August 14th (*i.e., after the August primary had already occurred*). That would mean that the Special Election could not occur until the November 5th General Election.

That said, Assistant Manager Sherwood notes that five (5) Township residents have applied for this six-month Board of Trustee vacancy. These individuals are listed alphabetically order in the table below:

Name	Notes
Kelly Beattie 15696 Comstock	<ul style="list-style-type: none"> ▪ MA of Science – Historic Preservation ▪ BA of Science – History ▪ Executive Director – Midwest Miniatures Museum ▪ Manager of Grants and Foundation Relations – Grand Rapids Symphony ▪ Annual Fund and Stewardship Manager – Grand Rapids Symphony ▪ City Clerk – City of Grand Haven ▪ Executive Director – The Fort Meigs Association ▪ Projects, Boards and Commissions Coordinator – City of Ann Arbor

<p>Andrea Dumbrell 12918 Woodrush</p>	<ul style="list-style-type: none"> ▪ Human Resources Director – Harbor Transit ▪ Human Resources Director – City of Avondale ▪ Human Resources Director/ Assistant Manager – Grand Haven Charter Township ▪ Assistant Human Resources Director – Ottawa County ▪ Business Manager/Human Resources Manager – Muskegon Catholic Schools ▪ Business Manager/Human Resources Director – West Michigan Academy of Arts and Academics
<p>Frank Durante 14837 Pine Ridge</p>	<ul style="list-style-type: none"> ▪ BA of Science – Nursing ▪ BA of Science in Biology ▪ Vascular Access Specialist – Mercy Health ▪ RN Emergency Department – Mercy Health ▪ Laboratory Manager – Mercey Health ▪ Trustee – Village of Fruitport
<p>Arlan Meekhof 12596 Retreat</p>	<ul style="list-style-type: none"> ▪ State Senator – Michigan ▪ State Representative – Michigan ▪ Trustee & Supervisor – Olive Township ▪ Director of Operations – Hudson Lock MWSC ▪ Supervisor of Production – Herman Miller

The Township Board has three (3) basic options:

1. Determine that the position will remain vacant and that the Ottawa County Clerk will schedule a “Special Election.” The candidates for this special election will be decided by the political parties.
2. Select one of the aforementioned applicants at the May 13th Board meeting.
3. Schedule a special meeting (*e.g., on Wednesday May 15th*) to interview all the candidates (*or a select few*) and chose one of the candidates based upon the interviews.

If you have any questions or concerns, please contact Sherwood or Cargo at your convenience.
