The recommendation shall include a report of findings stating the Planning Commission's recommendations, and any conditions relating to an affirmative recommendation.

### (B) Township Board Action.

- (1) After the Planning Commission has provided a recommendation to the Township Board, the applicant shall be required to submit ten (10) copies of the PUD application materials, as required [by Section 7.11.C](#). The Zoning Administrator may alter the number of required copies based on the needs of the Planning Commission and Board of Trustees.
- (2) The application materials submitted by the applicant shall be revised to include any changes recommended by the Planning Commission.
- (3) A public hearing on the proposed development shall be scheduled by the Township Board. The public hearing shall be noticed in accordance with the requirements of the Michigan Zoning Enabling Act.
- (4) Within a reasonable time following the public hearing, the Township Board shall approve, approve with conditions, or deny the application. If the property in question is not currently zoned PUD at the time of application, the Township Board shall also hear and consider a rezoning to the PUD zoning district, along with the application.

- (5) The Township Board will require the applicant to execute a development agreement, which shall be a contract between the Township Board and the applicant setting forth the terms and conditions of any PUD approval granted by the Township Board, which shall be recorded with the Ottawa County Register of Deeds. Similarly, any PUD containing a private road shall execute a maintenance agreement with the Township. Said agreements shall be drafted by the Township Attorney and approved by the Township Board. All required agreements shall be recorded with the Ottawa County Register of Deeds.
- (C) A Planned Unit Development shall not be approved unless the Township Board, after recommendation of the Planning Commission, finds the following are met:

  - (3) If construction of a Planned Unit Development falls more than two (2) years behind the approved building schedule, the Township shall send notification in writing to the developer which explains the Township Board will consider revoking the PUD.
