**GRAND HAVEN CHARTER TOWNSHIP BOARD
MONDAY, FEBRUARY 23, 2026**

REGULAR MEETING

I. CALL TO ORDER

Supervisor Reenders called the regular meeting of the Grand Haven Charter Township Board to order at 7:00 p.m.

II. PLEDGE TO THE FLAG

III. ROLL CALL

Board members present: Gaasch, Reenders, Kieft, Wagenmaker, Behm, Dumbrell and Larsen

Board members absent:

Also present were Manager Cargo, Assistant Manager Sherwood, Fire/Rescue Chief Schrader, Lieutenant Marshall, Public Services Director Wade, and Senior Planner Chaphalkar.

IV. APPROVAL OF MEETING AGENDA

Motion by Trustee Gaasch and seconded Trustee Wagenmaker to approve the meeting agenda. **Which motion carried.**

V. APPROVAL OF CONSENT AGENDA

1. Approve January 26, Regular Board Minutes
2. Approve Payment of Invoices in the amount of \$687,920.18 (*A/P checks of \$370,183.39 and payroll of \$317,736.79*)
3. Approve Scrap/Disposal of Listed Surplus Equipment
4. Approval of Low Bid for the 2026 Service Line Replacement Project - VanDerKolk Plumbing at \$85,800

Motion by Treasurer Kieft and seconded by Trustee Behm to approve the items listed on the Consent Agenda. **Which motion carried.**

VI. OLD BUSINESS

1. **Motion** by Trustee Gaasch supported by Trustee Behm to approve and adopt the proposed ordinance to adopt the 2024 International Fire Code and Appendix B through I, K, L, N and O. This is a second reading. **Which motion carried** pursuant to the following roll call vote:

Yeas: Larsen, Wagenmaker, Kieft, Dumbrell, Gaasch, Behm, Reenders

Nays:

Absent:

2. **Motion** by Trustee Gaasch supported by Trustee Dumbrell to authorize Administrative staff to seek the development of a cell tower on Township property near the intersection

of Mercury Drive and Comstock Street, and to authorize Superintendent Cargo to execute a non-binding agreement – with a 2.5% annual inflationary increase on the lease – with Galaxi Towers to prompt the company to proceed forward with a SLU application to construct a monopole wireless telecommunications tower on the Township property, Parcel # 70-03-35-251-072. **Which motion carried.**

VII. NEW BUSINESS

1. Discussion was held regarding the proposed Facility Use License with Life EMS. Trustee Wagenmaker stated that he is normally opposed to a government leasing – even on a short-term basis – to a for-profit entity since it erodes the rental market. Further, he proposed to table the matter to receive market analysis of the lease value from an outside source.

Staff explained the reasons for the proposed Use License Agreement, Spring Lake Township’s experience with leasing to Life EMS and noted that staff would support limiting the arrangement to a nine-month term.

Motion by Clerk Larsen supported by Trustee Gaasch to authorize Superintendent Cargo to execute the License Agreement between Life EMS and Grand Haven Township Fire Rescue. This agreement will be contingent on having an overall agreement with Life EMS to deliver ambulance services to GHT and area municipalities and a nine-month term from the signature date of the agreement. **Which motion carried** pursuant to the following roll call vote:

Yeas: Behm, Dumbrell, Gaasch, Kieft, Larsen
Nays: Wagenmaker, Reenders
Absent:

VIII. REPORTS AND CORESPONDENCE

1. Committee Reports
2. Manager’s Report, which included:
 - a. January Public Services Report
 - b. January Ordinance Enforcement Report
 - c. January Sheriff (COPS) Report
 - d. Review - Modified Administrative Office Hours
3. Other

IX. PUBLIC COMMENTS

1. Randy Grasmeyer (*15331 Cove Street*) expressed opposition to the cell tower location because of health concerns related to radiofrequency (RF) radiation from cell towers.

X. ADJOURNMENT

Motion by Clerk Larsen and seconded by Trustee Behm to adjourn the meeting at 7:50 p.m. **Which motion carried.**

Respectfully Submitted,

Laurie Larsen
Grand Haven Charter Township Clerk

Mark Reenders
Grand Haven Charter Township Supervisor

PUBLIC SERVICE'S MEMO

DATE: March 3, 2026
TO: Township Board
FROM: Matt Wade, Public Services Director
SUBJECT: Sale of Surplus Equipment

The Township Board is required to authorize the sale or disposal of surplus equipment. The Department of Public Services (DPS) purchased a 2025 Kubota GPS Line Painter in January of 2026. The 2025 Kubota GPS Line Painter will replace the 1990 John Deere AMT. DPS staff would like to sell the 1990 John Deere AMT in an upcoming auction.

If the Board agrees that the listed surplus equipment can be sold, the following motion can be offered:

Motion to authorize Public Services staff to sell the 1990 John Deere AMT through Miedema Auctions.

If you have any questions or comments, please contact Public Services Director, Wade.

PUBLIC SERVICE'S MEMO

SUBJECT: Ferris Non-Motorized Pathway Project – Approve Bid

As you may recall, the Township budgeted \$740k to re-construct the pathway along Ferris Street from 152nd Ave. to Acacia Drive and US-31 to Lakeshore Drive. The bid opening for this project was on Tuesday, February 17th and seven (7) firms offered bids. (*See Below*)

<i>Bid Number</i>	<i>Firm Name</i>	<i>Bid Amount</i>
1st	TBD Construcion 2459 84 th Ave., Zeeland, MI 49464	\$460,972.25
2nd	Bob’s Asphalt Paving 23728 40 th Ave., Ravenna, MI 49451	\$511,447.00*
3rd	Schmidt Brothers Excavating 16064 Winians St., Grand Haven, MI 49417	\$544,108.00
4th	Site Work Solutions PO Box 45, Zeeland, MI 49464	\$584,241.25
5th	Redline Excavating LLC 190 East 8 th St., unit 145, Holland, MI 49419	\$627,900.00*
6th	Al’s Excavating, Inc. 4515 134 th Ave., Hamilton, MI 49419	\$629,420.00*
7th	Ryerson Brothers Excavating 2979 Industrial Pkwy, Muskegon, MI 49445	\$814,714.00

**Denotes correction made by Engineer*

The low bid was from TBD Construction at a bid price of \$460,972.25 (*wich is about \$280k or 37.8% under↓ budget*).

Although TBD Construction (TBD) submitted the apparent low bid, staff **does not** recommend award to this contractor at this time. TBD is a relatively new company, and during the bid review process there was a miscommunication regarding who would be performing the block wall portion of the project.

It was originally noted by TBD that a pre-approved MDOT contractor would be constructing the block wall portions of the project. During a meeting with TBD, Township Engineers, and Public Services staff, noted that TBD would be performing the block wall work themselves. The block wall work represents a significant and critical component of the overall scope, requiring

demonstrated experience and coordination. Additionally, TBD was unable to provide references for projects of comparable size and complexity to the work required. Given these factors, staff has concerns regarding the firm's experience and capacity to successfully complete the project as specified.

The second low bid was from Bob's Asphalt at a bid price of \$511,447 (*which is about \$230k or 31% under↓ budget*).

Based on the engineer's letter of recommendation and the above information staff recommends to approve the bid from Bob's Asphalt Paving. Note that this firm completed the Lakeshore Drive pathway project in 2024. Bob's Asphalt will be using Integrity Landscape Management for the block wall construction along the Ferris bike path. Integrity Landscape has expertise in large and small block wall construction for over 30 years. (*See attached recommendation letter from P&N.*)

If there are no objections to the bid received, the following motion can be offered:

Move to authorized Public Services Director Wade to execute the necessary contract documents with Bob's Asphalt Paving in the amount of \$511,447 to re-construct the pathway along Ferris Street from 152nd to Acacia Dr. and US-31 to Lakeshore Dr.

If you have any questions or comments, please contact Public Services Director, Wade.

RE: Ferris Street 2026 Non-Motorized Path Repairs

Dear Matt:

Bids were received on February 17, 2026, for the Ferris Street non-motorized path repair project. The project included path and retaining wall reconstruction from Lakeshore Drive to US-31 and also from the eastern end of Hofma Park to 152nd Avenue. Seven responsive bids were received as shown on the attached bid tabulation. The Engineers Estimate for the project was \$690,000 and our understanding that \$740,000 was budgeted for the project by Grand Haven Charter Township.

Prein&Newhof followed up with the two lowest responsive bidders to confirm their project understanding, confirm bid completeness, and reviewed proposed subcontractors. Following review of the bids received, post bid documentation and conversations from both contractors, along with the Township's recent experience with Bob's Asphalt on a similar project on Lakeshore Drive, the project team is recommending award of the project to Bob's Asphalt for their bid amount of \$511,447.00.

Sincerely,

Prein&Newhof

Kevin S. Kieft, P.E.

RE: Supervisor Reenders Appointments to Loutit Library Board – Cariss Braley

Pursuant to direction from Supervisor Reenders, attached please find a motion to appoint Carissa Braley to the vacant seat of the Loutit Library Board due to Mary Jane Bettler's resignation.

Carissa Braley is a longtime Grand Haven Township resident, active library patron, and technology leader with more than 20 years of experience in Information Technology. Having held leadership roles at Meijer and IBM, she has managed multi-million-dollar budgets, led complex infrastructure projects, and overseen large-scale system integrations, experience that positions her to provide strong fiscal oversight and governance for the Loutit District Library.

She recently earned a Bachelor of Science in Political Science, strengthening her understanding of municipal governance and public policy. Braley combines technical expertise, financial stewardship, and a commitment to accessible public resources, and she is prepared to dedicate the time and effort necessary to effectively serve as the Township Representative on the Loutit District Library Board.

If the Board supports these appointments, the following motion can be offered:

Move to appoint Carissa Braley to the Loutit Library Board for a term ending June 30, 2029.

If you have any questions or concerns, please contact Sherwood at your convenience.

Superintendent's Memo

DATE: March 4, 2026
TO: Township Board
FROM: Bill Cargo
RE: Marine Patrol Funding

Sheriff DeBoer requested that the Township utilize a Township-funded deputy (*i.e., one of the school officers*) over the summer months for a Marine Patrol. (*See the email below.*)

We are evaluating the possibility of assigning a limited number of MCOLES-certified deputies to the Marine Patrol for the 2026 summer boating season. This opportunity will allow selected deputies to gain experience in a different assignment while expanding the Marine Patrol's capacity to enforce laws and promote safety on the county's waterways.

The current Marine Patrol deputies will continue their regular patrol duties, perform scheduled maintenance on marine equipment, and instruct boater safety courses. Whenever possible, boat crews will be staffed with one MCOLES-certified deputy and one Marine Patrol deputy.

Having an MCOLES-certified deputy assigned to the water provides full law enforcement authority, allowing for comprehensive enforcement of criminal, traffic, and marine laws rather than relying solely on marine-specific or limited-authority functions. This level of certification brings advanced training in investigations, use of force, arrest procedures, evidence handling, and emergency response, which improves the Marine Patrol's ability to address complex incidents such as assaults, OWI/boating under the influence, and serious crashes on the water. It also reduces the need to call for a separate road patrol unit to exercise full police powers, resulting in faster resolution of incidents, enhanced victim and officer safety, and more seamless service to residents and visitors on the county's waterways

As a funding source for these additional deputies, we are considering reallocating a portion of the county's contribution to School Resource Deputy positions in jurisdictions with the greatest use of the Marine Patrol, specifically Park, Holland, Grand Haven, and Spring Lake. Because of our long-standing partnerships with these townships, we want to be respectful of what each believes its share of the funding provides, and are reaching out to clearly communicate our proposal and confirm that this approach addresses ongoing needs while supporting growth and improvement within our agency. Ultimately, there would be no change in the overall funding or in your exhibit; the change would be that your SRO would be assigned to patrol the waterways during the summer months rather than the road.

Please reach out with any clarification needed and I look forward to speaking with you about this soon.

This request was reviewed by the Township Public Safety Committee (*i.e., Behm, Gaasch and Reenders*) on January 28th who supported the request.

That said, before bringing the matter to the full Board, Trustee Dumbrell – who attended the Public Safety Committee meeting – did ask for some additional information. Specifically, the following information was requested with the responses in “**blue**”.

1. The number and types of enforcements that were completed on the waterways in the Township’s area for the past two years.

Marine statistics are tracked by waterway rather than by local jurisdiction. We do not have a reliable way to associate each marine contact or enforcement action with the nearest local unit. As a result:

- ✓ **Lake Michigan statistics include activity from anywhere our agency patrols or responds on the lake, not only the area adjacent to the Township. (There were 42 boat stops or complaints.)**
- ✓ **Grand River statistics are similarly difficult to attribute to a specific jurisdiction, as locations along the river often border multiple local units and may be closer to different agencies. (There were 171 boat stops or complaints along the Grand Haven channel and 21 boat stops or complaints along the Grand River.)**

2. The number of police calls and enforcements that are occurring in our Township over the summer months, as compared to all other months for the past two years.

The Sheriff provided the statistical report that showed the average number of incidents over the months of June, July, and August average 453 per month in the Township during 2024 and 2025. In comparison, the average during the remaining nine months was 380 per month.

In brief, this means that the Summer months are statistically about 19% “busier” in the Township in terms of incidents.

3. Any population or tourist numbers specific to our area for the summer months for the past two years.

The Grand Haven Area Convention and Visitors Bureau notes tourists inject about \$60 million into the local economy. Figures regarding the number of tourists are not available.

If the Board supports the transfer of a Township-funded School deputy that would typically do road patrol to marine services during the Summer months, the following motion can be offered:

Motion to authorize a Township-funded summer school deputy to work marine services during the Sumer of 2026 with a report from the Sheriff regarding the efficacy of the program expected before a Township Board vote to continue the transfer to marine services during the Summer of 2027.
